CERTIFICATE OF COMPLETION

Rise on Boards +

The Rise on Boards+ program is designed to provide accessible governance training to young women and gender-marginalized youth in Canada. With a commitment to addressing inequities in the non-profit sector and fostering diversity in boardrooms, this certificate recognizes that the participant has successfully completed the Rise on Boards+ training program, which encompasses over 10 hours of governance and leadership training. Through participation in Rise on Boards+, the participant has acquired the foundational skills to serve on a Canadian non-profit governance board and demonstrates a commitment to promoting equity and inclusive governance.
